1. Login

You received the link and password to the World of Student website www.worldofstudents.org to your university email address. Please login with your email address and password.

For security reasons, please change your password after your first login. To change your password, use the button „Change Password” in the top right corner. You need to enter your old password once and your new password twice.

Your next step is the registration.

2. Registration

Please provide the information requested in the registration document.

You will always see examples of the needed format in light grey in each field.

For example: it is important for the phone number to be entered in this format (please be aware of the blanks): + 49 1234 1234

We will communicate with you via your university email address but please also provide an alternative email address. Be as specific as possible when entering your data and former university education.

The screenshot shows the 'Edit Student Profile' page. At the top, there is a navigation bar with 'Call info@worldofstudents.org', 'Home', 'Impressum', 'Change Password', and 'Logout'. The 'World of Students' logo is in the top right. The main heading is 'Edit Student Profile' with a sub-note: 'Edit your student profile here. Changes may have an impact on the search result!'. The form is divided into two columns. The left column contains: 'Name*' (Schaefer), 'Phone (cell)*' (+49 1221 3443), 'Login E-Mail' (laura.schaefer91@web.de), 'Education Level Completed*' (High School Diploma (G9)), 'Earliest Start Date*' (01.01.2021), 'Last High School Year' (2019), 'Post-Secondary Institute' (?), and 'How did you hear about WoS?'. The right column contains: 'First Name*' (Laura), 'Phone (home):' (+49 2112 4334), 'Alternative E-Mail:' (lschaefer@gmail.com), 'Current Study Program*' (Digital Business), 'First Language*' (German), 'Grade:' (2,0), and 'Degree/Diploma Earned :' (?).

The field "Post-secondary institute" is only applicable if you additionally attended another school (university) after your High school. If you didn't, you don't need to fill in anything here and in the field "Degree/Diploma Earned".

If you do not study in Germany, select "no" in answer to the question about Auslandsbafoeg.

You will find the option "Edit Profile" on the bottom left corner of the page if you need to update your profile or change your information afterwards.

3. Find your university abroad – the perfect match

Once you have successfully filled in your data into your World of Students account, you will be able to see all partner universities abroad that offer a study program suitable for your education level. You can filter the results by indicating which study area, country, study program and/or degree you are interested in.

The universities are divided into countries. Click on the arrow on the right to find all universities in this country.

You can find out more about each university by clicking on it. If you like a university, click on the heart next to its name or select + add to list to add it to your wish list. Later, you can find all your favorite universities under the heart icon to select your priorities.

4. University profiles

Try to find out as much as possible about the university you'll have the time of your life at! In the "in short" section, you will find the university's website, the factsheet, brochure, university size etc. You will also find out about the university's term system and start dates.

Check out the "fact" section to learn more about the university's unique features, scholarship and internship opportunities and so much more! The section "fees" provides you with all you need to know about the fees. Please be aware that fees are subject to change.

You're wondering about how to get to the university from your home country? Find out all about the university's location, its housing options and about how to get there in the "city and living" section.

The "news" section provides current news on your future university abroad and "student experiences" will give you a great insight into what other international students who studied at the university experienced during their stay abroad.

5. Choose priorities

Once you've added all universities you're interested in to your wish list, click on the button on the bottom of the page or on "FAVS" on the home page.

Indicate your top three choices. You can delete universities off your wish list, just tick the x next to them, and change priorities by clicking on the arrow.

6. Placement and Application Process

After having submitted your priorities, you will be informed via email once you've been placed at a university. Please note that this might take several weeks to process. Being placed does not mean you have been accepted at the university! You still need to apply and submit all necessary documents. Each

university reserves the right to make the final decision regarding student enrollment. Once you've been placed, you will receive further information on the next steps and the application process from us.

7. Questions?

Lots of useful information about studying abroad can be found in the bottom right corner of the World of Students website:

Should you have any questions during the application process, visit the FAQ section on the World of Students website (on the bottom left corner).

If you cannot find the answer, send us an email or schedule a call with us!
