

# Dates & Facts 2020/2021

<b>Information/Short Description</b>	<p>We have been offering the most global and innovative learning experience possible for over 25 years. Our programs provide a practical approach, with rigorous and updated content, with a learning methodology that connects with the most innovative learning trends worldwide. Our methodology is based on collective learning and the exchange of knowledge and experience. CESINE allows 100% of its students to spend part of their studies abroad, with scholarships, at prestigious international universities, obtaining a first hand experience in countries like Canada, China, Sweden, Denmark, Norway, England or the Netherlands, allowing them to acquire certain skills and competences demanded by companies and recruiters, such as resolving skills, initiative, international profile, languages, versatility, adaptability, social and intercultural skills, etc. Students immerse themselves in the local culture, take classes with local experts and see for themselves how the mass media operates in these countries.</p>
