

# Dates & Facts 2021

**Information/Short  
Description**

Università Europea di Roma is a private university founded in 2005 that is rapidly growing in terms of teaching quality, research and status. Its innovative educational project is characterized by its academic excellence and the central role played by students through an effective, dynamic and close interaction with the faculty members.

As part of an international network of universities, our global institution integrates its educational project with a wide range of international and social experiences creating prepared professionals with high human values who will positively affect society.

The modern campus of Università Europea is located at only 5 min by train from the centre of Rome, a city that embodies the best of the Italian culture as it offers an inimitable blend of history, art, culture, life and opportunity.
